NAGENDRA SINGH, Jt. Secy.

MINISTRY OF LABOUR AND EMPLOYMENT**RESOLUTION***New Delhi, the 10th May 1960*

No. PF.II.3 (13)/59.—The Government of India have had under consideration the question of enhancement of the rate of contribution under the Employees' Provident Funds Act, 1952, from 6½ per cent. to 8-1/3 per cent. in pursuance of the recommendations made in the Second Five Year Plan. Doubts have been expressed whether all the industries and employments covered under the Act will be in a position to bear the burden of the additional contribution. It is, therefore, necessary to ascertain through expert assessment whether there are industries or employments which cannot bear the additional burden. The Government of India have, therefore, decided to set up a Technical Committee for this purpose.

2. The composition of the Technical Committee will be as follows:—

Chairman

Shri M. R. Meher.

Members

1. Shri Ganapatishanker N. Desai.
2. Dr. D. T. Lakdawala, Department of Economics, University of Bombay.
3. Dr. R. C. Cooper, (Representing employers).
4. Shri G. D. Ambekar, (Representing workers).

In addition to the above permanent members of the Committee, the employers' and workers' organisations will be requested to nominate an additional expert in respect of each industry when it is taken up for investigations by the Committee.

3. The following will be the terms of reference of the Committee:—

- (a) to assess for each industry or employment the financial burden involved in the enhancement of the rate of contribution from $6\frac{1}{4}$ per cent. to $8\frac{1}{3}$ per cent. of the basic wages and dearness allowance, including the cash value of any food concession, payable to the employees;
- (b) to examine which, if any, of the industries and employments, are not capable of bearing the additional burden, having regard to the state of profits in the industries or employments and the possibility of creating financial difficulties that might prejudice their stability, and
- (c) to recommend to Government which of the industries or employments are in a position to introduce the enhanced rate of contributions straightaway;

Explanation:

- (i) In conducting investigations regarding the financial burden involved and the capacity of a particular industry or employment to bear the same, the Committee should take into consideration gratuity or other similar retirement benefits available to the employees of all or some of the units in that industry or employment.
- (ii) In making its recommendations to Government the Committee should see whether enhancement in the rate of contribution to the Employees' Provident Fund will threaten the existence of the smaller or weaker units to any appreciable extent.

4. The Committee will, in the first instance, undertake investigations in respect of the six industries initially covered under the Employees' Provident Funds Act, 1952, namely:—

- (1) Cement;
- (2) Cigarettes;
- (3) Electrical, mechanical or general engineering products;
- (4) Iron and Steel;
- (5) Paper; and
- (6) Textiles (made wholly or in part of cotton or wool or jute or silk, whether natural or artificial).

To begin with, the Committee should commence its investigation in respect of the industries other than Cement and Textiles, which latter should be taken up for investigation after the others have been dealt with.

5. The headquarters of the Committee will be at Bombay and all correspondence intended for the Committee may, until further notice, be addressed to the Chairman, Technical Committee, Employees' Provident Fund, C/o, the Regional Provident Fund Commissioner, Mohatta Market Building, 2nd Floor, Palton Road, Bombay-1.

P. D. GAIHA, Under Secy.
